## We Let Our Customers Speak for Us!

*I entrusted my home to David Ginfrida Home Improvements and all his recommended crews (plumbing, framing, electrical, etc.) and he has exceeded all my expectations. No stone was left unturned in order to finish my house not just quickly but extremely professionally. Put my recommendation at the top of your list and have no one hesitate to call and come for a look!*

*I just wanted to thank you and your crew for a job very well done! I had high expectations for the final product after having seen some of your work up close. The roof on the house and garage, attic skylight, side entrance, and wall unit air conditioner turned out even better than I had hoped. All of this using quality materials, an experienced crew, and all at a very fair price. I couldn't be happier!*

**- James M. DeGeorge  
703 Main Street

*Thank you for everything. We're all very happy with the work you've done. I'm sure we will be in touch in the future and so will the friends and neighbors who have asked about you and seen our house.*
